If all the world's a stage, we want you to be at the center of it.

IG Private Wealth Management proudly supports YES Theatre's youth program. Welcome to YES Theatre!

Whether you're joining us from the cozy seats of the Sudbury Theatre Centre, or under the sky and stars the Refettorio, thank you for being here and supporting our work.

With each passing season I fall more deeply in love with our community. The theatre has been embraced so beautifully, so thoroughly, that our dreams and ambitions of turning Sudbury into one of the country's hot spots for theatre are coming to fruition. This is seen through the quality of the work, the relationship it has to the community, and the artists who are bringing these pieces to life on our stages.

Every day, despite challenges that are innate to a life in the theatre, there are grand moments of celebration. I feel remarkably fortunate and blessed to be working with people that I really love, in a place I really love, building something singular and radical.

The theatre is the great respite - certainly considering how whacky the world is in this current moment. Get in here, bring those closest to you... or come alone! (it's super great that way too), and be reminded that life is with people.

This year we will be making some big strides towards some big, crazy, exciting fantastical ideas - so please reach out, get involved and keep on coming to eat at the brilliant theatrical buffet that is a year at YES.

LOTS OF LOVE, SUDS! YOU'RE SO GREAT.
