If all the world's a stage, we want you to be at the center of it.

Welcome to YES Theatre!

Whether you're joining us from the cozy seats of the Sudbury Theatre Centre, or under the sky and stars the Refettorio, thank you for being here and supporting our work.

With each passing season I fall more deeply in love with our community. The theatre has been embraced so beautifully, so thoroughly, that our dreams and ambitions of turning Sudbury into one of the country's hot spots for theatre are coming to fruition. This is seen through the quality of the work, the relationship it has to the community, and the artists who are bringing these pieces to life on our stages.

Every day, despite challenges that are innate to a life in the theatre, there are grand moments of celebration. I feel remarkably fortunate and blessed to be working with people that I really love, in a place I really love, building something singular and radical.

The theatre is the great respite - certainly considering how whacky the world is in this current moment. Get in here, bring those closest to you... or come alone! (it's super great that way too), and be reminded that life is with people.

This year we will be making some big strides towards some big, crazy, exciting fantastical ideas - so please reach out, get involved and keep on coming to eat at the brilliant theatrical buffet that is a year at YES.

LOTS OF LOVE, SUDS! YOU'RE SO GREAT.

## LETTER FROM THE MAYOR OF SUDBURY: PAUL LEFEBVRE

I am truly proud of the community's engagement in the performing arts.

Our City's prosperous theaters provide a unique way for residents to explore storytelling. YES Theatre's ability to bring stories to life by harnessing the audience's emotions is extraordinary. The vocals and musical aptitude experienced in the theater are unparalleled. I believe live theater can change our perception of

the world and remind us of moments in our lives.

The captivating eight shows this season are sure to be powerful performances. Showcasing the local talent is important as our community enjoys the diversity of the art.

I encourage all the residents to support the dynamic productions with friends and family. Thank you to the cast members, the musicians, and the creative & production team for your efforts.

Congratulations to the Board of Directors and the entire team at YES Theatre! I look forward to enjoying many theater productions during the 2025 season.
